Lesson Transcript

Welcome back, everyone! Today we're going to do Top 15 Happy Words. Are you ready? Ok, let's begin!

1. มีความสุข (Mii khwaam sùk) "happy"

Happy words, of course, have to begin with "Happy"!

มีความสุข (Mii khwaam sùk)

So, "Are you happy?" คุณมีความสุขมั๊ย (khun mii khwaam sùk mái)

2. กระปรี้กระเปร่า (grà-bprîi-grà-bprào) "energetic"

I know that it is difficult because you have ปรี้(bprîi) which force you to click your tongue while you are speaking. Click, click like that. If you can't, just say, gabpi-gabpao. It's not 100% grammatically correct but people still can be about to understand what you are saying

กระปรี้กระเปร่า (grà-bprîi-grà-bprào).

Even I, you can see that, have difficulty pronouncing this words.

3. ชอบ (châawp) "like"

ฉันชอบเรียนหนังสือ (chăn châawp rian năng-sûue) "I like studying."

4. ตลก (dtà-lòk) "funny"

"You're funny." คุณเป็นคนตลก (khun bpen khon dtà-lòk)

5. ตื่นเต้น (dtùuen-dtén) "excited"

"I am excited." ฉันตื่นเต้น. (chăn dtùuen-dtén)

6. พอใจ (phaaw-jai) "satisfied"

"I'm satisfied with the result." ฉันพอใจกับผลงานนี้ (chăn phaaw-jai gáp phôn ngaan nîi)

7. ภูมิใจ (phuum-jai) "proud"

"I'm proud of you." ฉันภูมิใจในตัวคุณ (chăn phuum-jai nai dtuua khun)

8. ยอดเยี่ยม (yáawt-yíam) "great"

You can say, just, เยี่ยม (yíam).

9. รัก (rák) "love"

The most popular sentence is, of course, "I love you." ฉันรักคุณ (chăn rák khun).

I love you guys.

10. สวย (súuai) "beautiful"

It's a good way to compliment anyone. However, the tone is very important because if the tone is off it means different thing. สวย (súuai) is "beautiful" or "pretty" , สวย (suuai) means "unfortunate". So be careful of the intonation that you use.

11. อุ่น (òp-ùn) "warm"

"You are a warm person." คุณเป็นคนที่อบอุ่น (khun bpen khon thîi òp ùn)

However, if you want to say that this place is warm in terms of temperature-wise, you don't say อุ่น(òp ùn), you say, อุ่น(ùn), just the last word.

ที่ตรงนี้อุ่น (thîi dttrong nîi ùn) "This spot/this place is warm."

12. มีความหวัง (mii kwaam wǎng) "hopeful"

"I'm hopeful that I'm going to pass tomorrow's exam."

ฉันมีความหวังว่า พรุ่งนี้ ฉันจะสอบผ่าน (chăn mii kwaam wǎng wǎa phrûng-nîi chăan jà sǎawp phǎan)

13. ใจดี (jai-dii) "kind"

"You're a kind person." คุณเป็นคนใจดี (khun bpen khon jai dii)

14. มองโลกในแง่ดี (maawng lóok nai ngǎae dii) "optimistic"

"I'm an optimistic person." ฉันเป็นคนมองโลกในแง่ดี (chăn bpen khon maawng lóok nai ngǎae dii)

15. เป็นคนยิ้มง่าย (bpen khon yím ngǎai) "quick to smile"

I don't think that you have an exact word in English, if you smile often with anything, this is a word that people will say it to you.

เขเป็นคนยิ้มง่าย (thooe bpen khon yím ngǎai) "You're quick to smile."

We are done with today's lesson. Please let us know if you have any questions. Don't forget, as always, to subscribe to our channel. Bye bye, and be happy!

Hi Mark ,

Thank you. If there are too complicated you could skip them for now and then come back later. There are a few other lesson series which is more simple. Please let me know if you have any future questions. I will be glad to help.

Have a good day.

I just started studying a couple of days ago. The first videos I watched were easy to follow. This video is also easy to follow but some of the other videos before this one started introducing long sentences that totally lost me. The videos with long sentences seem very advanced and out of place in a series for absolute beginners. Should I not worry about those videos that have long complicated sentences for now?
